West Eugene EmX Extension Project UPDATE!

Lane Transit District is embarking on a project to explore EmX service in West Eugene. Plan to attend one of the public scoping events listed below to provide your feedback.

LTD is looking for your input. Goals for these events include:

- Identifying the problems and possible solutions
- Identifying alternatives that deserve further study
- Providing information about how decisions will be made

There are many opportunities to stay informed and provide feedback. Call LTD at 682-6100 or visit LTD's website at www.ltd.org for information.

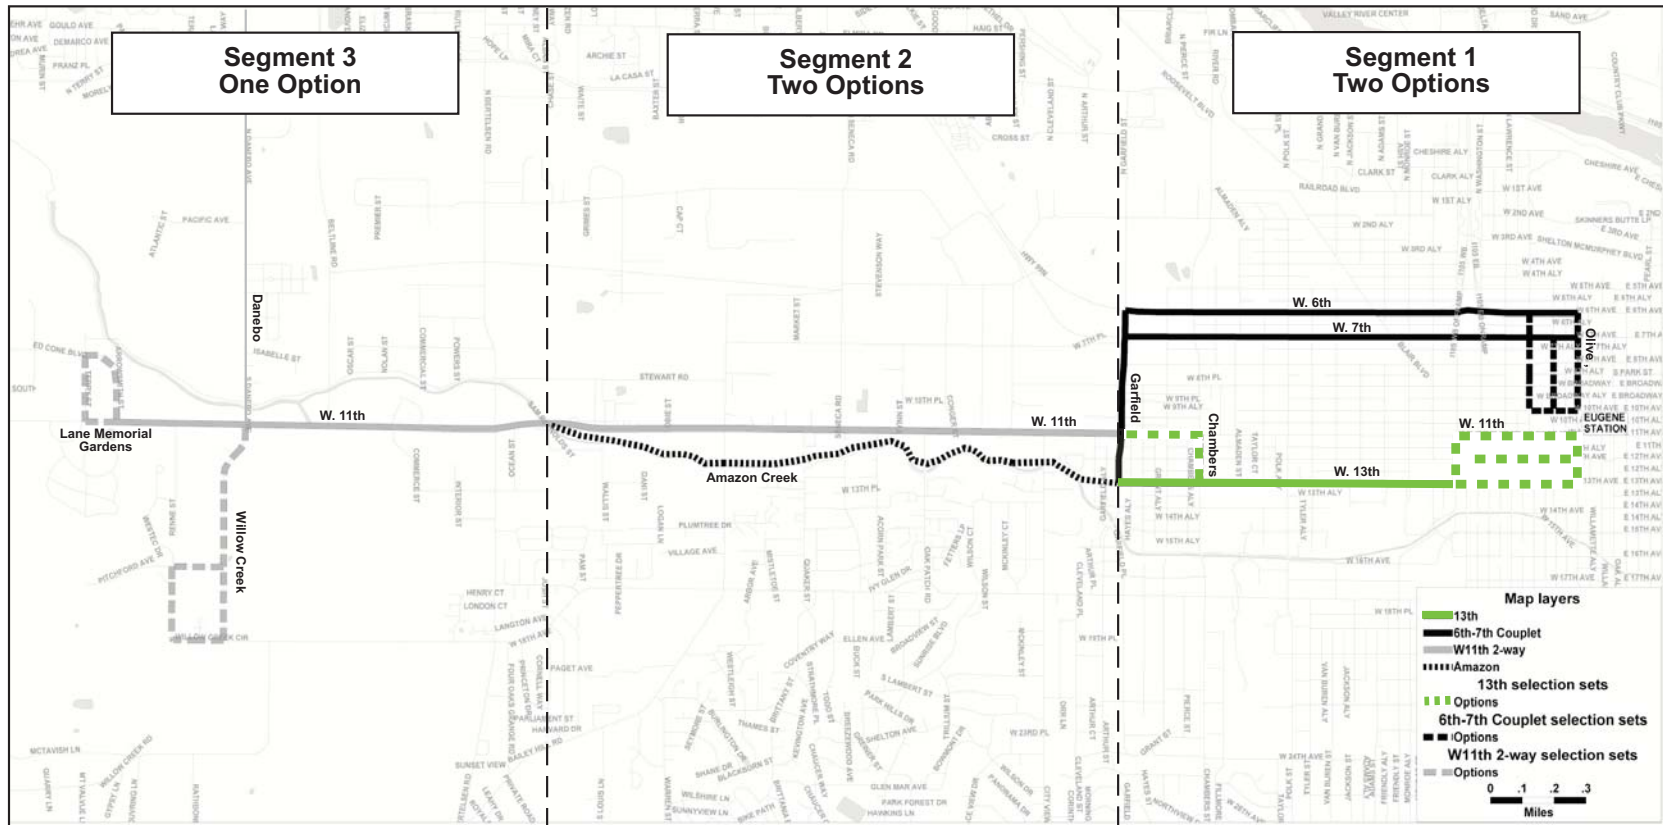

***Monday, October 8
3 p.m. – 7 p.m.

EmX West Eugene Extension: Proposed Range of Alternatives for Further Study

Lane Transit District recently brought together a variety of engineers and architects to develop a proposed range of alternatives for further study. These alternatives are reflected on the map above.

LTD welcomes your feedback. The open houses on October 8 and 9 will offer the community an opportunity to provide input and offer ideas.
